User Stories & Tasks:

1. As a home bartender, I need a way to input my personal inventory of alcohol, mixers, and ingredients.
   a. Add items to inventory
   b. Remove items from inventory
   c. Text search for ingredients
   d. Sort options for ingredients
2. As a cocktail enthusiast, I need a way to see what drinks I can prepare with my ingredients, while also having the option to explore new recipes.
   a. Provide cocktail recipes based on the user's current inventory
   b. Library of cocktail recipes
   c. Text search for recipes
   d. Sort options for recipes (Potential examples: Type/category, seasonal, ingredient)
3. As a home bartender who entertains, I need a way to customize offerings and recipes so my guests can prepare drinks easily.
   a. Customize categories on the homepage: Interact with the homepage elements by dragging and dropping to reorder, add and remove
   b. Add/remove custom lists on the homepage (Similar to a.)
   c. Change featured drink
   d. Homepage smartly provides suggestions based on time of day, season, popular drinks, etc.
4. As someone who likes to try new things, I need a way to create and manage lists of cocktails I have tried.
   a. Mark recipes as "Save for Later," "Made," and/or "Favorite" (system lists)
   b. Create custom lists
   c. View and manage items on all lists
5. As a home bartender who makes drinks for others, I need the ability to adjust the recipe to make more than one drink.
   a. Increment the number of servings for a recipe
   b. Convert measurement between oz and ml
6. As a cocktail enthusiast, I need a way to add and edit recipes to suit my preferences.
   a. Edit recipes
      i. Update quantities
      ii. Add/remove ingredients
      iii. Add/edit notes
      iv. Toggle view to original/unedited recipe
   b. Copy existing recipes
   c. Add new recipes
   d. Delete any non-original/non-system recipes
7. As a cocktail enthusiast who wants to share drinks with others, I need a way to share my feedback with others.
   a. View cocktail reviews
   b. Leave a review with a rating
